## CALL ME MISTRESS

Andrews UK Limited, United Kingdom, 2015. Paperback. Book Condition: New. Standard ed.. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I suppose you could say that I fell into this industry by accident. I thought he was kidding at first, I thought he was joking as he said he wanted nothing more than to be abused in the privacy of a booth. And so began my incredible journey, a journey that would earn me nearly two hundred thousand pounds in the first twelve months and bring me into contact with men who were ready and willing to hand me money because I simply demanded it of them. No sexual contact and I didn't even have to take my clothes off. The fetish takes many forms and some of them may make you physically sick, there are some things I simply wouldn't do no matter how much money was on offer. It's a strange world that I've stumbled into with no two days the same. I've bared my soul in this book, no holds barred. It takes all sorts as the saying goes and I think I've met just about all of them. Sometimes I stand back and gasp because although I'm very much desensitized after several years activity, at least two or three times a month someone drops me an email that takes my breath away. Those emails are in the book too, some printed word for word, warts and all. If you do decide to take this book from your local bookshelf you'd better be prepared to be shocked but I promise you one thing, when you've finished, you will have changed your opinion of the creature known as man.
