

Fair Value for Financial Reporting: Meeting the New FASB Requirements

By Alfred M. King

John Wiley & Sons, 2006. Gebundene Ausgabe. Book Condition: Neu. Neu Neuware, Importqualität, auf Lager, SCHNELLVERSAND mit dpd - Is Purchase Price Equal to Fair Value With the FASB changing the requirements for increasing categories of assets and liabilities to be shown at current fair value, Fair Value for Financial Reporting answers this and other pertinent questions with crystal clarity. Alfred King, a top expert in the field, provides financial executives and auditors with a deep understanding of fair value reporting, the appraisal process, and appraisal services, and demystifies this topic with practical advice and helpful knowledge, making it a trusted reference on the ins and outs of fair value financial disclosure. Fair Value for Financial Reporting highlights the accounting and auditing requirements for fair value information and offers a detailed explanation of how the FASB is going to change 'fair value' with topics including: the FASB's fair value proposals; determining the fair value of intangible assets; whether fair value can truly be audited; valuation of liabilities and contingent payments; valuation of hard assets and real estate; why two appraisers come up with different results; auditing of valuation reports; and selecting and working with an appraiser. 352 pp. Englisch.
