Kelly Driscoll tracks down monsters for a living, but the job isn't what it used to be. Vampire hunters are the new big thing, but Kelly doesn't swing that way. When a reclusive client hires her to locate a rival angel, Kelly's search takes her to a downtown high-rise that has become home to hundreds of fallen angels and dimension-hopping monsters. As the fallen angels take over the condo board, argue over who's handling pizza delivery, and begin planning for a little shindig otherwise known as the apocalypse, Kelly must team up with an unlikely group of allies to find her target and keep the fallen angels at bay. In the process, she befriends a reluctant Angel of Destruction, gets tips from a persistent ferret, uncovers the mysteries behind Pothole City's hottest snack food empire, and tries to prevent the end of the world.
