

Poverty in Scotland 2016: Tools and Targets for Transformation

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

POVERTY IN SCOTLAND 2016: TOOLS AND TARGETS FOR TRANSFORMATION

CPAG, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book. This latest edition in the now well-established Poverty in Scotland series provides an indispensable and authoritative overview of the poverty and anti-poverty policies that form the context for a newly elected Scottish Parliament set to enjoy significant new powers. In a comprehensive yet accessible account of the state of poverty in Scotland, the main trends are highlighted and explained, and an account given of how that poverty is experienced. Drawing on the latest data, and contributions from a range of academic, third sector and practitioner experts, the book explores: * how poverty is defined and measured * what causes poverty in Scotland * trends in the levels of poverty experienced * the impact of poverty on individuals, families and communities across Scotland * the extent to which key tools - such as work, social security, housing, health and education - have and could be used to transform Scotland toward a poverty free country. Who is it for? Poverty in Scotland 2016 is an essential guide to all those with an interest in ending poverty and identifying the policies that are most likely to contribute to achieving that goal. It is particularly useful for voluntary groups and community activists, policy makers and politicians, journalists, teachers, students and academics in the anti-poverty and wider social policy fields.
