Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE CASE OF THE RUSSIAN MAIDS

Koehler Books, United States, 2012. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.From its opening pages to its unexpected climax, *The Case of the Russian Maids* sparkles with sharp turns, brutal action and tight dialogue, all marinated in the dark shadows and bright charms of America's Largest Resort City. Koehler writes seamlessly between the external horrors of the crimes and the inner chess match between smart cops and an imaginative, murderous prankster. --Chip Fortier, playwright and author of *1607: First Landing*, *The Eulogist* and *God, No. I suspect many, many things* (never mind people). I strongly suspect you will thoroughly enjoy this mystery. --Dave Potvin, former (and possibly future) private investigator This adrenaline-packed murder mystery is made even more intriguing if you happen to live in Virginia Beach. The places are familiar and the characters are bigger than life. --Kathy Steele.
