THE CARE AND TREATMENT OF MENTAL DISEASES AND WAR NEUROSES (SHELL SHOCK) IN THE BRITISH ARMY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Care and Treatment of Mental Diseases and War Neuroses (Shell Shock) In the British Army I have omitted entirely from this report any account of the treatment of organic nervous diseases and of injuries to the central nervous system or the peripheral nerves. Organic nervous diseases are not especially frequent and seem to present no special military problems. Injuries of the central nervous system are frequent and severe. Those that do not prove fatal very quickly are well cared for at first in general surgical wards where the services of neurologists and neurological surgeons are available and later in special hospitals or special hospital wards. A very serious difficulty in dealing with destructive brain and cord lesions is that the patients sooner or later pass from hospitals in which special care and nursing are provided to their homes or to poorly equipped auxiliary hospitals in which many soon get worse or die. Injuries to the peripheral nerves are frequent and important, in fact there are few extensive injuries to the extremities in which important nerves escape. With neurological advice, the surgeons deal with these cases successfully in the base hospitals and their after-treatment is well carried on in the reconstruction centers for orthopedic cases. Neither of these classes of injuries concerns us especially in a consideration of the treatment and military management of mental and functional nervous diseases, except for the fact (to be commented upon later) that the treatment of the war neuroses might be carried out advantageously in home territory in co-operation with orthopedic reconstruction centers. Although the problems presented by mental and functional nervous diseases have many...
