Brand New Book ***** Print on Demand *****.Writing good songs is not easy-many talented musicians don't know how to do it. No matter what the obstacle might be, constructing a solid song can be an arduous process that frequently causes many musicians to give up. If you are interested in writing songs, making money from them, and ultimately being happy with the music you produce, 10 Truths of Songwriting can help. Longtime musician Chris M. Will simplifies the songwriting process, offering ten truths backed by real-life experience and examples. With Will's methods, you can consistently create music and lyrics that people love and not only survive but also enjoy the creative process. In the age of the Internet and with the advent of digital home recording, it's easier than ever to get your music recorded, released, and heard by record companies. You just have to be able to write the songs. Using real-life examples and based on decades of experience, this songwriting guide presents a methodology for creating songs that people will love.
