

The Poison Diaries

By Maryrose Wood

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Poison Diaries, Maryrose Wood, A dark, gothic tale of romance! and murder. In the right dose, everything is a poison. Jessamine has spent her whole life in a cottage close to her father's apothecary garden, surrounded by medicinal plants and herbs that could kill her -- although her father has never allowed her into the most dangerous part of the grounds! the poison garden. And so she's never had reason to be afraid -- until now. Because now a newcomer has come to live with the family, a quiet but strangely attractive orphan boy named Weed. Though Weed doesn't say much in words, he has an instant talent for the apothecary's trade, seeming to possess a close bond with the plants of the garden. Soon, he and Jessamine also share a close bond. But little does Jessamine know that passion can be just as poisonous as the deadliest plants in the garden -- for behind Weed's instinctive way in the garden is a terrible secret. The plants can talk to him -- and not just the kind ones that can heal, but the ruthless ones that can kill too!.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
