Infantry Soldier Holding the Lines at the Battle of the Bulge

By George W. Neill

University of Oklahoma Press. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.3in. x 5.3in. x 0.8in. Infantry Soldier describes in harrowing detail the life of the men assigned to infantry rifle platoons during World War II. Few people realize the enormously disproportionate burden the men in these platoons carried: although only 6 percent of the U. S. Army in Europe. They suffered most of the casualties. George W. Neill served with a rifle platoon in the 99th Infantry Division. Now a seasoned journalist, he takes the reader into the foxholes to reveal how combat infantrymen lived and survived, what they thought, and how they fought. Beginning with basic training in Texas and Oklahoma, Neill moves to the front lines in Belgium and Germany. There he focuses on the role of his division in the Battle of the Bulge. The 99th, recruits bolstered by veterans of the 2nd Division, held the northern line of the bulge, preventing a German breakthrough and undermining their strategy. Using his wartime letters, his research in the United States and Europe, and hundreds of interviews, Neill chronicles his and his friends experiencesacts of horror and heroism on the front line. This item ships from multiple locations....

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
