Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

For the first time Bloom gives his readers an elegant guide to reading poetry--a master critic s distillation of a lifetime of teaching and criticism. He tackles such subjects as poetic voice, the nature of metaphor and allusion, and the nature of poetic value itself. Bloom writes the work of great poetry is to aid us to become free artists of ourselves. This essay is an invaluable guide to poetry.
