A Thousand Words Why We Must Fight the Tyranny of Brief, Vague Incomplete

By Jonathan Salem Baskin

Shadows on the Cave Wall. Paperback. Book Condition: New. Paperback. 118 pages. Dimensions: 8.0in. x 5.2in. x 0.3in. This quick read draws on the science of the mind, ancient civilizations, mobile tech, Shakespeare, funny TV commercials, and a host of other diverse topics to explain why we prefer pictures over words, brevity over length and depth, and are thereby willingly giving up our ability to reach consensus and collaboration on any constructive action. Ultimately, this is a book for marketers and business leaders, for whom Baskin makes a novel, contrarian conclusion come to life with illustrative examples, intriguing facts, and not a little bit of wit: its not that a picture tells a thousand words, but rather we need a thousand words to understand most pictures. His insights have implications for how brands communicate with their markets, and how consumers interpret those communications. Read this book and youll never Tweet the same again. . . This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
