Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

CARNAC

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, Carnac, Eugene Guillevic, Stephen Romer, John Montague, Eugene Guillevic, who died in 1997, was one of France's most important contemporary poets. Dating from 1961, Carnac marks the beginning of Guillevic's mature life as a poet. A single poem divided into several parts, it evokes the rocky, sea-bound, unfinished landscape of Brittany with its sacred objects and its great silent sense of waiting. The texts are brief but have a grave, meditative serenity, as the poet seeks to effect balance and help us to make friends with nature, as well as to live in a universe which is chaotic and often frightening. In this poetry of description -- where entire landscapes are built up from short, intense texts -- language is reduced to its essentials, as words are placed on the page like a dam against time, and aspire to what John Montague calls their mystic materialism.
