Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.MBA Admissions Committees (AdCom) routinely reject smarter and more accomplished applicants in favor of applicants who make better arguments that they will use their MBA to achieve significant success. This book, written by a graduate of Harvard and Wharton who has spoken at both universities business schools, and based on AKAD Group s extensive knowledge of MBA application consulting, takes you through the entire process of planning and executing a winning MBA application. And yet, it also saves you a lot of time by keeping you organized and focused. TRY IT FOR FREE: go to use the menu bar to navigate to Services, MBA, MBA Method. From here you can download the first chapter of the book for free; there s no need to sign up for anything! The AKAD Method has 3 steps: * Application Strategy: This step poses a series of introspective questions that help you choose which schools to apply to, helping you create a Mission Statement that details your career goals and how an MBA from each of your chosen schools would help you achieve them. * Communication Strategy: This step helps you evaluate yourself along critical dimensions and evaluate how AdCom will view you. The output of this section is your Admission Case, a summary of your argument for why you deserve admission. * Application Preparation: This step helps you carefully plan how you will reflect the pieces of your Admission Case in different parts of your application, and then provides detailed advice on how to create a resume, write essays, select recommenders, and pass interviews. This guide has everything Americans will need to succeed, but also has special sections tailored to international...
