This item is printed on demand - Print on Demand Neuware - Essay from the year 2006 in the subject History Europe - Other Countries - European Postwar Period, grade: 1,7, University of Birmingham, language: English, abstract: On 15 October 1964 after 13 years in opposition, Labour was elected the leading party in Britain once again. Although the majority of seats was one of the smallest in British history, the first years of Harold Wilson's premiership showed some promising political developments and relative economic progress. However, hopes for a change in the nation's economical position were soon disappointed as the government appeared unable to expand its early success and rather deteriorated the economical position of Britain compared to its rivals. 16 pp. Englisch.
