

First Cut: A Season in the Human Anatomy Lab

By Albert Howard Carter

St Martin s Press, United States, 1998. Paperback. Book Condition: New. First.. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.With humor, compassion, and wisdom, Howard Carter recounts the semester he spent watching first-year medical students in a human anatomy lab. From the tentative early incisions of the back, the symbolic weight of extracting the heart, and by the end, the curious mappings of the brain, we embark on a path that is at once frightening, awesome, and finally redemptive.
