Snatched from the street by a young black dragon, Satia seems destined to end her life as a snack. But her position as a menu item quickly changes when her black dragon captor runs into two young red dragons and a wanna-be Dragonlord. In a quick twist of events, the black dragon is transformed into an ordinary teenaged boy. Always one step ahead of their pursuers, Satia makes a bargain with her captor: her life in exchange for her help. But now she must live up to her end of the bargain. With no magic and only the strength of two humans, how will Satia outwit the Dragonlord and his minions? This item ships from multiple locations. *This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).*
