STAYING SANE AS YOU HOMESCHOOL LEARN DIFFERENTLY

Learn Differently LLC. Paperback. Book Condition: New. Paperback. 44 pages. Dimensions: 8.3in. x 5.3in. x 0.3in. Homeschooling builds families, develops character, and nurtures children, but it's not always easy. How do you keep going? Kathy Kuhl shares vital principles to help you thrive. A veteran homeschooler with a child with learning challenges, she knows the rewards and the frustrations, as well as the temptations and attitudes to avoid. Whether you are a new or experienced homeschooler, you will find practical help, humor, and insight to help you and your family in *Staying Sane as You Homeschool*. As homeschool moms, doubt and frustration are constant companions. Trouble is - you think you are the only one who struggles. Mrs. Kuhl reminds us that we are not alone as we question our sanity, wonder where our energy went and deal with our daily ups-and-downs. --Christine Field, author, speaker, attorney This book is the first in the Learn Differently series: short, practical books to help you focus on your goals, encourage your children, and stay the course. Kathy Kuhl, the author of *Homeschooling Your Struggling Learner*, enjoys taking walks with her husband in the woods of Virginia, exercising with friends, meditating on scripture, and curling up with good books. She has not asked her children if they think she stayed sane while homeschooling. To learn more about the author, visit LearnDifferently.com This item ships from multiple locations.
