Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Animism, the Seed of Religion In an article on Democracy and action, in the Nineteenth Century of April, 1905, Mr. John Morley remarks that if we want a platitude, there is nothing like a definition. Perhaps most definitions hang between platitude and paradox. There are said to be ten thousand definitions of Religion. One of these is supplied by Parson Thwackum in Tom Jones. When I mention religion, I mean the Christian religion, and not only the Christian religion, but the Protestant religion, and not only the Protestant religion, but the Church of England. That easy-going cleric expressed what is in the minds of the majority of people when the word religion is used. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
